

The services we offer at Good Sam.

MEDICAL CARE

This includes sick visits, annual checkups, and physical exams and wellness visits. We also perform vision, hearing, dental, and nutrition screenings and immunizations for school enrollment.

DENTAL CARE

We offer full restorative dental care including tooth and gum cleanings, simple extractions, fillings, bridges, crowns, full and partial dentures. Additional services are offered as available.

COUNSELING

Christian mental health counseling is available to all patients.

SPECIALITY MEDICAL

Volunteer specialists see patients on a limited basis for orthopedics, physical therapy, ophthalmology, gynecology, cardiology, pulmonology, podiatry, psychiatry, and others as available.

HEALTH EDUCATION

Group classes focus on diabetes, kidney health, and nutrition. Nutritional counseling is available for individual sessions.

FITNESS CLASSES

In partnership with the YMCA of Metro Atlanta, Good Sam works to build a healthy lifestyle for our community by offering exercise options at our onsite Wellness Center.

PRENATAL CARE

We provide a low-cost, comprehensive prenatal care program inclusive of group education visits for low-risk obstetric patients.

MEDICAL NETWORK

Good Sam has a network of medical providers and clinics that perform services outside of our facility including radiology and imaging services, colonoscopy, minor and major surgery, mammograms, etc.

DISPENSARY

We maintain a dispensary to assist patients who qualify financially to receive certain medications at a reduced cost. This program is coordinated through the Center with assistance from the pharmaceutical companies.

How to become a patient?

FastTrack | Priority ZIP Codes 30318 and 30314

Can register at any time by calling: 678-515-0258 or

Email: FastTrack@goodsamatlanta.org
