

# LET YOUR VOICE BE HEARD!

Do you live in the Westside?

Are you an adult who works with Westside teens ages  
11 to 18 years old?

Emory University graduate students are conducting Westside community assessment, in partnership with [Soccer in the Street](#). We invite you to complete our survey focusing on the needs of teens (ages 11-18) in relation to employability, life skills, and trauma.

The survey will take about 20 minutes to complete and your participation is completely **voluntary**. The answers you provide will remain **confidential and will not be linked to your identity**. Your views and experiences are very important and they will help inform our community assessment!

**Survey Will Close on Wednesday April 25<sup>th</sup>, 2018 at 5pm**
