

May 1, 2018

Greetings Green Skin Girlz Supporter,

The iwi fresh mission is to inspire and educate people on feeding their skin the TRUTH – fresh vegetables, fresh fruits, fresh herbs, one soul at a time. To love the largest organ of the body. We are growing the Farm-to-Skin movement by partnering with local neighborhood farms and community gardens. The Skincare Chef, Yolanda Owens, handpicks the raw vegetables, fresh fruits and organic herbs to bring back to our garden day spa, then juices them to create the skincare recipes.

The Green Skin Girlz are learning to care for their skin and themselves naturally, in a green way. This year, we will be hosting a Green Skin Girlz Summer Camp at iwi fresh led by The Skincare Chef, teaching methods of self care life skills. During the camp the Green Skin Girlz will take a trip to our partner farms and participate in other enriching, hands on activities. The following age groups are:

Brussels Sprouts (6-12yrs)

Green Skin Girlz (13-18yrs)

There are two ways to plant your seed and cultivate the young ladies:

❖ **Sponsor a Green Skin Girl \$75**

- The Skincare Chef's Farm-to-Skin Workshop
- T-shirts
- Trips to our partner Farms
- Transportation

❖ **Scholarship Fund**

- A special Green Skin Girl will receive a scholarship to aid in their post secondary adventures.

The Green Skin Girlz Camp will take place from July 27th - July 29th. Iwi fresh and the Green Skin Girlz would like to thank you for your tax deductible contribution and any support to help us cultivate the youth. If you have any questions please feel free to contact us via email or phone. .

Sincerely,

Yolanda Owens
