

Westside Future Fund

OUR VISION: A COMMUNITY DR. KING WOULD BE PROUD TO CALL HOME.

Westside Future Fund is a nonprofit formed by Atlanta’s public, private and philanthropic partners who believe in the future of Atlanta’s Westside and are committed to helping Historic Westside neighborhoods revitalize and develop into a community Dr. King would be proud to call home.

Community Retention

- We’re laser-focused on affordable housing.
- We risk losing residents as market forces take over as the area’s fortunes improve.
- We want current residents to remain in their beloved neighborhoods for years to come, even as market forces raise housing and rental prices as well as taxes.
- We’re raising funds as quickly as possible to buy real estate that will remain deeply affordable.
- So far, we have 119 units under control that will serve low-income residents, such as the working poor and seniors living on a fixed income, of which we are very proud.
- Much more is needed, we need everyone’s help.

Role of the Westside Future Fund

With its grounding in community retention and its compassionate approach to revitalization, Westside Future Fund is focused on creating a diverse mixed-income community, improving quality of life, and elevating and celebrating the Historic Westside’s unique history and culture. We are driving a collective effort focused on our four impact strategies with many different impact partners.

Our Impact

In addition to amplifying and accelerating the work of our impact partners, we also advance our mission through the development and implementation of several plans, programs and initiatives, including:

Anti-Displacement Tax Fund

An initiative that will pay qualifying homeowners' property tax increases in the English Avenue, Vine City, Ashview Heights and Atlanta University Center communities. The program is designed to help ensure that current homeowners are not displaced due to rising property taxes.

Land-Use Framework Plan

A design and implementation strategy — created in partnership with the City's Department of Planning & Community Development — to revitalize the Westside, building on the good work and extensive community feedback put into previous plans by city officials, partners and community residents.

Transform Westside Summit

Twice-monthly "town hall" meetings created to foster connection, collaboration and communication amongst community members around revitalization efforts.

Westside Neighborhoods Beautification Project

Pilot job training and placement program designed to help Westside residents carve out career paths while cleaning up and beautifying our four target neighborhoods.

Westside Volunteer Corps

Established to create opportunities for individuals from throughout Atlanta to join forces with Westside residents in the revitalization of the historic Westside. Through a variety of volunteer projects, the Corps works to strengthen community nonprofits and expand their impact with a consistent injection of human capital (i.e. volunteers).

Westside Community Data Dashboard

Dedicated to identifying and understanding the needs and opportunities that exist in WFF's four target neighborhoods. Site offers a baseline of community conditions and trends over the past 15 years against which WFF will track future progress.
