

# The services we offer at Good Sam.

## **MEDICAL CARE**

This includes sick visits, annual checkups, and physical exams and wellness visits. We also perform vision, hearing, dental, and nutrition screenings and immunizations for school enrollment.

## **DENTAL CARE**

We offer full restorative dental care including tooth and gum cleanings, simple extractions, fillings, bridges, crowns, full and partial dentures. Additional services are offered as available.

## **COUNSELING**

Christian mental health counseling is available to all patients.

## **SPECIALITY MEDICAL**

Volunteer specialists see patients on a limited basis for orthopedics, physical therapy, ophthalmology, gynecology, cardiology, pulmonology, podiatry, psychiatry, and others as available.

## **HEALTH EDUCATION**

Group classes focus on diabetes, kidney health, and nutrition. Nutritional counseling is available for individual sessions.

## **FITNESS CLASSES**

In partnership with the YMCA of Metro Atlanta, Good Sam works to build a healthy lifestyle for our community by offering exercise options at our onsite Wellness Center.

## **PRENATAL CARE**

We provide a low-cost, comprehensive prenatal care program inclusive of group education visits for low-risk obstetric patients.

## **MEDICAL NETWORK**

Good Sam has a network of medical providers and clinics that perform services outside of our facility including radiology and imaging services, colonoscopy, minor and major surgery, mammograms, etc.

## **DISPENSARY**

We maintain a dispensary to assist patients who qualify financially to receive certain medications at a reduced cost. This program is coordinated through the Center with assistance from the pharmaceutical companies.

## How to become a patient?

### **FastTrack | Priority ZIP Codes 30318 and 30314**

Can register at any time by calling: 678-515-0258 or

Email: [FastTrack@goodsamatlanta.org](mailto:FastTrack@goodsamatlanta.org)
