

Westside Future Fund Program-Related Investment Program

Westside Future Fund provides Program-Related Investments (PRIs) to small, minority-owned businesses based or serving Atlanta's Westside. PRIs are low-cost loans made with favorable terms to support the growth of minority enterprises.

Program Related Investments up to \$70,000

A limited number of PRIs are available for eligible minority entrepreneurs to meet the demands of their growing businesses and to drive economic development, mobility and diversity on Atlanta's Westside. We do this by delivering capital and partnering with local business incubators to deliver coaching and connections for underserved borrowers who create and retain jobs in our target neighborhoods.

Eligible applicants will be asked to provide required documentation to Westside Future Fund once an application is submitted.

To request an application, email pri@westsidefuturefund.org.
