

Anti-Displacement Tax Fund Fact Sheet

About

Situation

Current English Avenue, Vine City, Atlanta University Center, Ashview Heights, Just Us, and Booker T. Washington homeowners fear displacement in anticipation of community revitalization efforts driving higher home appraisals, property appreciation and higher property taxes.

Program Goal

To prevent current homeowner displacement due to the inability to pay a rise in property taxes.

Program Function

The Anti-Displacement Tax Fund Program will help pay for increases to homeowners' existing property tax bills. The fund will operate as a grant to individuals and will not require participants to pay back any funds received. Fund payment will begin in the 2018 tax year.

Funding Source

As part of its mission to ensure that current residents can stay in their communities for generations to come, the Westside Future Fund will provide all funding for the program, sourced from philanthropic contributions.

Application Period

Application for the program will begin in October of each year and be available until March of the following year.
